

# AMALIT

Alliance for Multidisciplinary Academic Linkages in Innovation and Transformation

# INTERNATIONAL CONFERENCE

2023 JANUARY **23 24 25** Second Edition

# TOWARDS **Zero** FOR A SUSTAINABLE TOMORROW

INTERNAL QUALITY ASSURANCE CELL

**AMAL COLLEGE OF ADVANCED STUDIES, NILAMBUR**

Run by Nilambur Muslim Orphanage Committee (NMOC)

Aided by Govt. of Kerala and Affiliated to the University of Calicut

Accredited with 'A' Grade by NAAC

**AMALIT** International Conference is a scholastic initiation by Amal College of Advanced Studies that intends to open a clear window to the intellectual podiums on multidisciplinary interlocutions by academicians, leaders and researchers around the globe and across the discipline. The International Conference envisages facilitating nuanced critical engagements and dialogues on cross disciplinary perspectives that enable the collective thinking of scholars to further shape them as learners with innovative insights and Promethean performances. An era which opens new fissures and continuities that remonstrate the ingrained canonical domains of learning, unfolds the exigency of similar explorative platforms to create promising scholars and academicians from the academies. **AMALIT** looks forward to making national and international collaborations, to provide a vigorous floor for the scholars to satisfy their intellectual quest. Thus, we aim to empower the present brains to create effective interventions for the real challenges of the time.

When the contemporary world is amidst numerous challenges due to various major issues ranging from hunger, violence, violations, pollutions, racism, casteism, pandemics, deforestation etc., a reliable solution is not possible without bringing down such barriers to the level of zero. Strategies with "Vision Zero" such as zero waste, zero pollution and zero war, to certain extent, can save the nature from imminent catastrophe and preserve our environment. At this juncture **AMALIT** (Alliance for Multidisciplinary Academia Linkages in Innovation and Transformation) is organizing its second multidisciplinary international conference on **"Towards Zero- for a Sustainable Tomorrow"** on **23rd, 24th and 25th January 2023** at **Amal College of Advanced Studies Nilambur , Malappuram, Kerala**. The conference demands all the stakeholders including researchers, academicians, and young minds to come forward together to identify the present world's problems to make deliberations on the ways to eliminate obstacle and work for sustainable tomorrow.

Established in 2005, Amal College of Advanced Studies run by the Nilambur Muslim Orphanage Committee is a Government aided college affiliated to the University of Calicut. The institution offers UG, PG and Research Programmes. In its journey towards being an ideal centre of excellence, Amal College was accredited with 'A' grade by NAAC (3.11) in the first cycle in 2019. The college holds the torch of brilliance and enlightenment providing new ideas of innovation and excellence for the students and moulding them to become better human beings equipped with competency, responsibility, and maturity in character.

The veteran educationist and renowned humanitarian leader P V Abdul Wahab MP is the patron and the founder of the college. Under his remarkable vision coupled with exemplary leadership and unparalleled wisdom, the college continues to serve the nation through value education, providing amenities for creating rigorous academic instruction. In pursuance of his guiding principles and pioneering insights, Amal College organizes various programmes to facilitate the development of competent and committed academics with the aim of developing knowledge and disseminating it among the larger community through extension, at the local, national and international levels.
